

## I 'M NOT ROBBIE WILLIAMS

(Johnny M./Johnny M.)

I'm not Robbie Williams  
I'm just Johnny M  
I'm just an older singer  
But I can sing as well

I got a girlfriend so nice and cute  
sometimes she plays me some sweet song  
on my private flute  
I'm a poor singing dentist  
from the heart of Europe I just need some beer  
coz I could'nt afford some dope

I just drive a black Alfa Romeo  
I don't need a stretched limousine  
I don't play in big halls  
Noone pays me for grining a grin

If I was Robbie Williams  
and not just Johnny M.  
I was just a younger singer  
gettin'a lotta cash as well, oh man  
and I had 20 girlfriends  
So nice and cute  
And they'd play some sweet concert  
on my private flute

But I'm just a singing dentist  
from sweet little Austria  
where they sell the balls of Mozart  
and the girls don't need a wonderbra  
Thank you!
