

Rock´n Roller

(Johnny M./Hooch)

On a saturday night
I wanna feel alright
got some THC in my brains
Oh i´m insane, oh Lord
I wanna get me a beer

I wanna be with you
I wanna love you now
I wanna rock´n roll you baby
gonna do it somehow
I wanna keep you good rocking
all night on the floor

I wanna be your rock´n roller, yoohoo
I wanna rock you all night long

On a sunday morning
such a big big yawning
getting outta my bed
i got a dizzy head, oh Lord
i´m gonna get me a drink

well I´ll give you a ring
I want your passion now
Come on pretty baby i´ll tie you
to your bed right now
I´m gonna keep on rockin´you
All night on the floor
R r r r r r r r

I wanna be your Rock´n Roller
