

## WELCOME TO THE LIGHT

(Johnny M./Hooch)

Well your welcome  
well your welcome  
to the light  
It's gonna be alright  
well you're welcome  
well you're welcome  
into the night  
It's gonna be alright

I can feel your pain  
does it drive you quite insane  
well your welcome  
into the light

Well your welcome  
well you're welcome  
It's gonna be alright  
well you're welcome  
Well you're welcome to the night  
It's gonna be alright

I can feel your pain  
does it drive you quite insane  
well you're welcome  
into the light

By the end of the day  
when you will have just passed away  
there will be someone who says  
welcome to the light  
welcome to the other side  
there are no tickets required  
admission for free

well you're welcome to the light  
s'gonna be alright
